Letter no T. a. 212 D/11. 2. 1933 from the Comptroller requesting modification of Articles 612 and 613 M.S. R.

Under the old Articles 612 and 613 M. S. R. Travelling allowance was admissible only when Privilege or Examination leave (Short leave) was taken subsequent to transfer or for transfer during such leave. As it was decided subsequently to give T. a. from the old to the new Station when furlough on medical certificate intervened transfer, Article 612 was amended to allow such T. a whatever kind of leave was taken for not more than 3 months, after transfer (vide G.o. no Fl 2342-90 of 21. 9. 1926 Flag Q) When the maximum amount of Privilege leave that could be taken at a time was raised from 3 to 4 months, the amount of leave that could intervene was also raised to 4 months in Article 612 M.S. R (Flag R.)

only to Cases of transfer during Privilege or Examination leave likewise required amendment so as to admit of T.a even for transfers during other Kinds of leave because there is no reason why T.a should be denied if transfer Succeeds such leave while T.a is payable when transfer preceded such leave.

In order to remove the existing anomaly one of the following amendments may be adopted

1) The C.S.R. ruling (Article 1104) may be adopted in place of Articles 612 and 613 M.S.R. It is that 'an Officer is entitled to T.a from his old to new Station even though Privilege or Examination leave intervenes' — meaning whether such leave Succeeds or precedes transfer. This is desirable inter as a measure of Economy in the Cost of T.a.

2) If it is intended to retain Art. 612 and grant T.a even when other Kinds of

3) The third alternative is to grant T.A only when Privilege or Examination leave or furlough on Medical certificate intervenes transfer. If this is acceptable ~~Article~~ Articles 612 to 614 will have to be amended.

The third alternative may be adopted. This will bring our rules into line with the C.S.R. This will do away with the anomaly observed by the Comptroller and at the same time restrict the scope of the advantages that an officer is at present enjoying when leave follows transfer. The opinion of the Comptroller has already been obtained and is contained in his letter of 11-2-33.

(M. Seey) 18/5/33.

The anomaly pointed out by the Comptroller arises out of the fact that as per 612 M.S.R., T.A. can be paid to an officer on leave of any kind, if such leave ~~has been~~ simply follows the date of his handing over charge ~~of the transfer~~

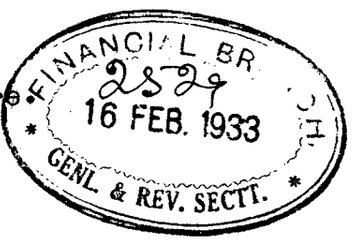
Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To

S. Shamanna Esq., B.A.,
Financial Secretary to the
Government of Mysore, Bangalore.



Sir,

Adverting to the rules for the grant of travelling allowance for journeys on transfer, when leave intervenes, I have the honor to state that if leave follows transfer travelling allowance is admissible under Article 612 Mysore Service Regulations whatever the nature of the leave is, provided it does not exceed four months. On the other hand, if transfer follows leave no travelling allowance is admissible as per Article 613 whatever the period of leave is, if it is other than privilege or examination leave. The reason for the differentiation is not clear and it seems to be necessary to modify the rule so as to treat the two cases similarly.

The Civil Service Regulations make no distinction between leave following transfers and transfer during leave for purposes of travelling allowance and in either case travelling allowance is admissible only if the leave happens to be privilege or examination leave.

I have the honor to be,
Sir,
Your most obedient servant,
